RON -

I SAW THIS CAR SEPT. '72. AT THE TIME IT WAS "ON TOUR" I DID NOT QUESTION ITS ORIGIN. FOR SEVERAL YEARS I ATTEMPTED TO LOCATE THE "BRAIN CAR" BY CHECKING OUT EXHIBITS AT VARIOUS CAR MUSEUMS. - NO LUCK.

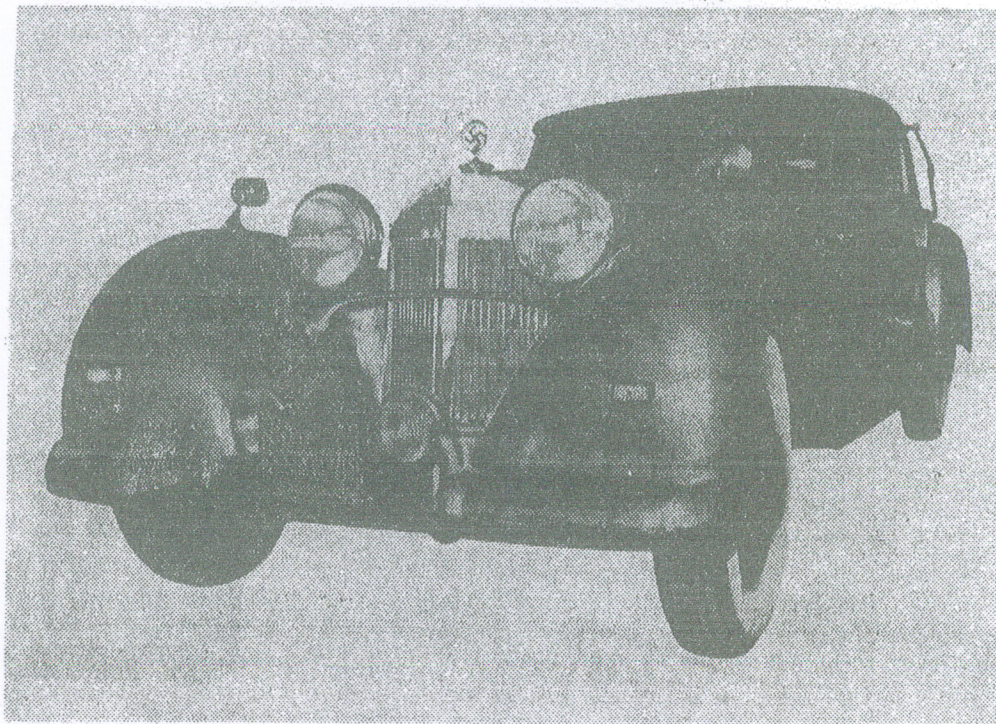

MC CORMIC WAS THE FARM MACHINERY MFG'R TO SUPPOSEDLY ^{HAVE} SHIPPED THIS CAR TO THE US FROM AUSTRIA.

ONE ENCLOSED PHOTO IS FROM A NEWSPAPER, THE OTHER ONE I MADE IN '72. RECENTLY I TALKED W/A REPRESENTATIVE OF GERMAN PUBLIC TV - HE SHOWED SOME INTEREST IN THE "BRAIN CAR" STORY.

I HAVE SOME MORE INFO THAT I WILL SHARE W/YOU ONCE I'VE COMPLETED MY EFFORTS WITH PBS AND GERMAN PUBLIC TV.

REGARDS,
Curtis E. Lipps
